Subject: Information regarding the Museums situated in your District.

Dear Sir/ Madam.

The Centre for Cultural Resources and Training (CCRT) is an autonomous organisation under Ministry of Culture, Government of India. The CCRT was established in 1979 with the objective of rejuvenating the Indian education system by training teachers and teacher educators on rich Indian art, culture and heritage. In order to fulfill its aims and objectives, it conducts varieties of activities and programs throughout the year such as, training programmes for teachers on diverse themes, preparing interactive educational tools and resources on cultural aspects, scholarship program for supporting talented children who wish to pursue and enhance their skills in different art forms under the 'Cultural Talent Search Scholarship Scheme' etc.

As one of the aspirations of National Education Policy 2020 (NEP 2020), the CCRT wishes to inculcate regional and local culture into the classroom teachings, therefore, we are creating a district wise database of museums throughout India. We aim to create a resource and repository documenting every museum in each district of every State/UT.

I am writing this to request you for issuing the necessary instructions to the concerned official in your office for getting the information collected regarding museums situated in your District managed by Government of India, State Government, District Administration and other Non Governmental Organisations/ Private agencies. A format of datasheet has been enclosed along with this letter containing the required fields of information.

I would further request you to kindly arrange to send the desired information by 13/08/2021 by mail on dir.ccert@nic.in with a copy on ddtrg.ccert@nic.in

Thanking you in anticipation for an early reply.

Yours faithfully,

(Rishi Kumar Vashist)
